

## GVIS 400HDP DIGITAL VIDEO PROBE

Greenlee have extended their GMFT portfolio with the addition of a new Digital Video Inspection probe, GVIS 400HDP.

The high definition inspection probe connects straight into the USB port of your PC eliminating the need for a separate monitor. This is ideal for archiving digital images of connectors examined in the network.

GVIS 400HDP has enhanced image resolution, brightness and contrast and with the GVIS Image Manager software, produces a high definition image with automated or manual PASS / FAIL result in accordance with IEC 61300-3-35.

### FEATURES

- High Definition Image
- Automatic or manual Pass / Fail to IEC 61300-3-35
- Hands-free voice commands (Win Vista, and above)
- Field of View 800µm x 600µm
- Stream power measurements from GRP460
- Magnify and centre
- USB connection to Laptop/PC
- Generate reports
- Digital archiving

Made from fibre reinforced ABS material, the GVIS 400HDP probe is rugged enough for the harshest Outside Plant environment. Meets IP rating 5.0.

Operation couldn't be simpler, just plug into an available USB port on your PC. No battery to worry about as power is supplied from the PC's USB port.

Voice activated commands can be employed for those moments when both hands are busy.

Magnify and centre enables the user to inspect the critical transmission areas of all four zones.

Pass / Fail software conforms to the latest ITU standards IEC 61300-3-35.

With transmission speeds approaching 100Gbps it is becoming imperative that Inspection and Cleaning procedures are respected to avoid Network failures.

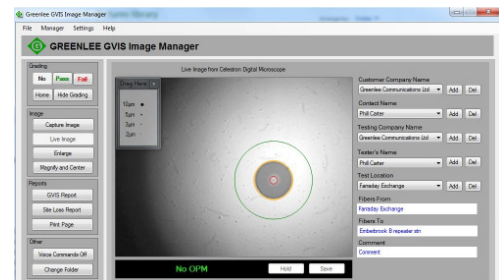

Combination cleaning is the most effective method of ensuring reliable connector performance.

# SPECIFICATIONS

FOV (Field of View): Live	800µm x 600µm
Enlarge	485µm x 365µm
Magnify & Centre	485µm x 365µm
Resolution	<1 micron
Cord length	44cm – 100cm
Video output	USB 2.0, UVC 1.1 compliant
Focus control	External Focus System
Connector	USB 2.0
Camera type	HD Megapixel CMOS sensor
Light Source	White LED
Lighting Technique	Coaxial
Size	Probe – 180mm x 25mm x 19mm
Weight	102g
